All Isuzu D-Max pickups are manufacturing in Thailand & India.

### Single Cab D-Max – Flat Deck

**Isuzu** D-Max has unique Single Cab Flat Deck Model which is ideal for commercial usage where in the **hump of tires is absent and the cargo deck can be opened on three sides**. This model can also be fitted with insulated box and chiller unit.

### **ISUZU MUX - SUV**

The All-New **ISUZU** mu-X strikes a commanding stance. With suave city-style meshed with tough off-road tones, the mu-X will turn heads for all the right reasons. With variety of different specifications like 4x2 and 4x4 drives, manual transmission and automatic transmission there is one specification that suites everyone's needs. Powered by 3.0 Liters Turbo Diesel Engine, Isuzu mu-X takes on rough terrains with ease whereas the common rail high pressure fuel pump ensures high fuel efficiency. With 7 Seater and option of seat folding gives the option of more passengers (or) more goods (or) combination at the hands of the user. With leather seats, cruise control, volume control in steering wheel, AC ducts for even 3<sup>rd</sup> row, 8 speakers and rear parking sensor, MuX is the right mix of power and comfort. All Isuzu mu-X variants are manufactured in Thailand.

## JAIDAH HEAVY EQUIPMENT

For over 30 years, **Jaidah Heavy Equipment** division has prided itself on its ability to provide **up to-date products, parts and service solutions** covering transportation, construction machinery and material handling equipment needs in numerous major projects around Qatar. The division boasts some of the leading public and private enterprises active in a multitude of industries, including energy, construction, civil works, transportation and rental. It is also a standout factor to clients within industries that we offer a wide range of products from internationally acknowledged brands.

Jaidah Heavy Equipment is the Authorized dealer for **ISUZU** Motors in the State of Qatar. Founded in 1916, **ISUZU** Motors Limited carries with it the longest history of any Japanese manufacturer with its timeline sprinkled with stories of breakthroughs, innovation, creative benchmarks, scientific research and development, as well as excellence in service. It is therefore no coincidence that **ISUZU** has grown to be one of largest producers of light, medium and heavy duty commercial vehicles worldwide.

With wide range of product line up, **ISUZU** vehicles fulfil every business need to meet the challenge of demanding jobs and cost-effective operations. Isuzu vehicles are widely recognized for its high safety standards, excellent build quality, superb durability and unsurpassed power yet with environmentally-friendly performance.

With a high emphasis on quality, Jaidah places utmost priority on customer satisfaction. **ISUZU** at Jaidah conforms to the "3S" concept of Sales, Service and Spare Parts in order to maintain Isuzu's unsurpassed services to customers. The relationship with our customer doesn't end when the customer drives their Isuzu vehicles out the dealer showroom. We pride ourselves in providing excellent after-sales services and personal attention to our customers, who we see as "partners".
